

### **hp solution center windows pdf**

If PDF is an option in HP Solution Center, but not when you use the scan button on your printer, you need to use HP Solution Center to create the settings for the scan button on the printer. For example, you need to create settings for the "Scan to" destinations, file type, save location, preview option, etc.

How ever the HP Solution Center software is not on the new computer. HP said "to find the HP Solution Center Software go to Windows. Installs with the HP full feature Windows Driver for multifunctional printers. Search for Solution Center to find and open software." I have done my best to find this on the Windows web

site and do not see it.
